About US	Indira Securities, an India's top broking company, we believe investing is both an art and a science; requiring a clear vision, thorough knowledge of subject matter and a balanced approach. The Indira Group was founded on these very principles in the year 1987. A name that has since been synonymous to quality services in the Indian financial market. As the top online share broking company in India, we work towards using technology and experience to break the glass ceilings for both traders and investors.	
Service	We are providing the facility to trade and invest in the stock market through Equities, Commodities, Mutual Funds, ALGO, and IPO with DEPOSITORY services.
